THE JOURNAL OF NERVOUS AND MENTAL DISEASE
Copyright © 2002 by Lippincott Williams & Wilkins
Vol. 190, No. 12
Printed in U.S.A.

Subject Index, Volume 190

Absenteeism
  depression assessment and treatment in disability claimants and, cost-benefit study, 3
Abuse
  childhood, panic disorder, social phobia, and generalized anxiety disorder and, 453
  sexual
    childhood sexual history of pedophiles, 757
    childhood, borderline psychopathology severity and psychosocial impairment, in borderline inpatients, 381
Acquired immunodeficiency syndrome
  Uganda epidemic, mental health effects of, 394
Addiction Severity Index
  treatment-seeking pathological gamblers, suicide attempts/ideation in, 463
Adolescents
  anorexia and dissociation, females, 746
  social anxiety spectrum, gender differences in Italian adolescents, 225
  substance abuse, psychoeducation therapy and cognitive-behavioral coping skills, 737
Advance directives
  completion of, in schizophrenic inpatients, 264
Affect regulation
  women with borderline personality disorder traits, 693
Affective disorder
  childhood asthma and, 275
Aggression
  severity of, Revised Staff Observation Aggression Scale for assessment of, 198
Agoraphobia
  panic disorder, panic symptoms during remission as predictor of relapse in, 190
  without panic disorder, panic disorder syndrome and, 624
Alcoholics
  treated, drinking problem severity, trauma, trauma-related distress, and perceived parental dysfunction association with, 337
Ambivalence
  Schizotypal Ambivalence Scale, psychometric properties and concurrent validity of, 290
Amnesia
  dissociation and, 10
Anemia
  factitious, self-administered bloodletting, psychiatric patients, 788
Animal phobia
  DSM-IV criteria, clinical features of, 471
Anorexia
  dissociation and, adolescent females, 746
Anorexia nervosa
  pattern of birth and, adults, 752
Antidepressant medications
  poststroke depression prevention, treatment and follow-up study, 296
Antipsychotic medications
  compliance, subjective illness theory and, in schizophrenia, 597
Anxiety disorder
  childhood asthma and, 275
  depression and
    defense mechanisms in, Chinese patients, 265
    recognizing, 366
  generalized, childhood abuse history and, 453
  health functioning impairments associated with, 233
  phobic, familial and personal handedness in, 267
  safety behavior identification in, 16
  separation, juvenile and adult forms of, association between, 413
  social
    gender differences, Italian adolescents, 225
    heritability of, twin study, 219
Assault
  sexual, sleep-disordered breathing, psychiatric distress, and quality of life in survivors of, 442
Assessment/diagnostic tools
  depression screening in primary care, Beck Depression Inventory, Chinese version, 94
  Impact of Event Scale-Revised, Japanese version, reliability and validity of, 175
  panic disorder, panic symptoms during remission as predictor of relapse in, 190
  Parental Bonding Instrument, three-factor version, sensitivity of, 619
  posttraumatic stress disorder, daily charting of symptoms, 683
  psychological defenses of medical students and, 22
  social functioning in schizophrenia, model, 63
Asthma
  childhood, psychiatric disorders and, 275
Attachment theory
  parental caring during childhood relation to, depression and, 663
Attention abnormalities
  in schizophrenia, 638
Attention deficit hyperactivity disorder
  young adults, comorbidity, educational, and clinical history, 147
Auditory conditioning
  susceptibility to, in hallucinating schizophrenic patients, 282
Avoidant personality disorder
  social phobia and, treatment gain influence on, 41
  trauma exposure and posttraumatic stress disorder in, 510
Beck Depression Inventory
  Chinese version, depression screening in primary care, 94
Behavior
  safety, identification in insomnia, 16
  suicidal, in two Israeli cities 1990–1998, 115
Bell Object Relations Inventory
  object relations deficits in schizophrenia and, Brazil vs. the U.S., comparison study, 73
Binge eaters
  obese vs. non-obese, obsessive-compulsive disorder and, symptom profile comparison, 643
Bipolar disorder
  in remission, insight in, comparison with schizophrenia, 847
  remission of, insight and neuropsychological function in, 713
Birth
  pattern of, anorexia nervosa and, adults, 752
  summer, deficit schizophrenia and, 526
Bloodletting
  self-administered, factitious anemia and, psychiatric patients, 788
